THE ADVISER AND ITS ADVISORY AGREEMENT

Pursuant to an Investment Advisory Agreement entered into with the Trust, on behalf of the Fund, on June 15, 2010 (the “Advisory Agreement”), the Adviser, an Illinois corporation headquartered at 35 East Wacker Drive, Suite 2400, Chicago, Illinois 60601, serves as the investment adviser to the Fund. The Advisory Agreement was last submitted to a vote of the shareholders of the Fund on June 11, 2010. Currently, the Advisory Agreement continues in effect from year to year only if such continuance is specifically approved at least annually by the Board of Trustees or by vote of a majority of the Fund’s outstanding voting securities and by a majority of trustees of the Trust who are not parties to the Advisory Agreement or interested persons of any such party, at a meeting called for the purpose of voting on the Advisory Agreement. The Advisory Agreement is terminable without penalty by the Trust on behalf of the Fund or by vote of a majority of the outstanding voting securities of the Fund, upon 60 days’ written notice when authorized either by a majority vote of the Fund’s shareholders or by a vote of a majority of the Board of Trustees, or by the Adviser upon 60 days’ written notice, and will automatically terminate in the event of its “assignment,” as defined in the Investment Company Act of 1940, as amended (the “1940 Act”).

The Advisory Agreement provides that the Adviser, in the absence of willful misfeasance, bad faith, gross negligence, or reckless disregard of its obligations or duties under the Advisory Agreement, will not be subject to liability to the Trust or the Fund or any shareholder of the Fund for any act or omission in the course of, or in connection with, rendering services under the Advisory Agreement or for any losses that may be sustained in the purchase, holding or sale of any security by the Fund. In addition, each party to the Advisory Agreement is indemnified by the other against any loss, liability, claim, damage or expense arising out of such indemnified party’s performance or non-performance of any duties under the Advisory Agreement, except in the case of willful misfeasance, bad faith or negligence in the performance of its duties or by reason of reckless disregard of its obligations and duties.

As compensation for its services, the Adviser receives the following management fee from the Fund:

Management Fee (as a percentage of average daily net assets)		
More than \$500 million but less than		
\$500 million or less	\$1 billion	\$1 billion or more
0.950%	0.925%	0.900%

From the Fund’s management fees, the Adviser pays each of the Fund’s sub-advisers a sub-advisory fee. The Adviser currently utilizes five sub-advisers, all of whom are currently active in managing the Fund. Under the Advisory Agreement, the Adviser monitors the performance of the sub-advisers on an ongoing basis. Factors the Adviser considers with respect to each sub-adviser include, among others:

- the qualifications of the sub-adviser’s investment personnel;
- the sub-adviser’s investment philosophy and process; and
- the sub-adviser’s long-term performance results.

Each sub-adviser serves pursuant to a separate sub-advisory agreement between the Adviser and the sub-adviser under which the sub-adviser manages a portion of the Fund’s investment portfolio allocated to it by the Adviser, and provides related compliance and record-keeping services.

BOARD APPROVAL AND EVALUATION OF THE NEW SUB-ADVISORY AGREEMENT

At a meeting of the Board of Trustees held on August 3-4, 2015 (the “August 2015 Meeting”), the Board of Trustees, including a majority of the trustees who are not “interested persons” of the Trust within the meaning of the 1940 Act (the “Independent Trustees”), reviewed the various factors relevant to its consideration of the investment sub-advisory agreement between the Adviser and Robeco Investment Management, Inc. d/b/a Boston Partners (“Boston Partners”) (the “Sub-Advisory Agreement”) and the Board of Trustees’ legal responsibilities related to such consideration. After analysis and discussions of the factors identified below, the Board of Trustees, including a majority of the Independent Trustees, approved the Sub-Advisory Agreement for an initial two-year term beginning on August 31, 2015.

Nature, Extent and Quality of Services To Be Provided by Boston Partners to the Fund: The Trustees considered the nature, extent and quality of services to be provided by Boston Partners to the Fund. The Trustees considered Boston Partners’ specific responsibilities in all aspects of day-to-day management of a portion of the Fund’s assets, as well as the qualifications, experience and responsibilities of Mark E. Donovan and David J. Pyle, who would serve as the portfolio managers for the segment of the Fund’s assets managed by Boston Partners, and other key personnel at Boston Partners. The Trustees concluded that Boston Partners had sufficient quality and depth of personnel, resources, investment methods and compliance policies and procedures essential to performing its duties under the Sub-Advisory Agreement and that the nature, overall quality and extent of the management services to be provided to the Fund were satisfactory and reliable.

Investment Performance of Boston Partners: In assessing the portfolio management services to be provided by Boston Partners, the Board considered the qualifications, background and experience of the portfolio managers and the performance of a composite of other accounts, a representative account, and a registered fund, each managed by Boston Partners using a similar strategy to that which would be applied to Boston Partners’ segment of the PMC Diversified Equity Fund, compared to a benchmark index. The Trustees noted for the quarter ended March 31, 2015, and for the three-year, five-year and ten-year periods ended December 31, 2014, the Boston Partners composite, representative account and registered fund had each outperformed the Russell 1000® Value Index, and for the since inception period ended December 31, 2014, the Boston Partners composite and registered fund had also outperformed the Russell 1000® Value Index. The Trustees noted that the composite, representative account and registered fund had each underperformed the Russell 1000® Value Index for the one-year period ended December 31, 2014. The Trustees concluded that the PMC Diversified Equity Fund and its shareholders were likely to benefit from Boston Partners’ management.

Costs of Services Provided and Profitability to be Realized: The Trustees reviewed and considered the sub-advisory fees payable by Envestnet to Boston Partners under the Boston Partners Sub-Advisory Agreement. Since Boston Partners’ sub-advisory fees would be paid by Envestnet, the overall advisory fee paid by the PMC Diversified Equity Fund would not be directly affected by Boston Partners’ sub-advisory fee. Consequently, the Trustees did not consider the costs of services to be provided by Boston Partners or the profitability of its relationship with the PMC Diversified Equity Fund to be material factors for consideration given that Boston Partners is not affiliated with Envestnet and, therefore, the sub-advisory fees were negotiated on an arm’s-length basis. Based on all these factors, the Trustees concluded that the sub-advisory fees to be paid to Boston Partners by Envestnet were reasonable in light of the services to be provided under the Boston Partners Sub-Advisory Agreement.

Extent of Economies of Scale to be Realized: Since the sub-advisory fees payable to Boston Partners would not be paid by the Fund, the Trustees did not consider whether the sub-advisory fees should reflect any potential economies of scale that might be realized as the Fund’s assets increase.

Benefits Derived from the Relationship with the Fund: The Trustees considered the direct and indirect benefits that could be received by Boston Partners from its association with the Fund. The Trustees concluded that the benefits that Boston Partners may receive appear to be reasonable, and in many cases may benefit the Fund.

The recommendation to hire Boston Partners was made by the Adviser in the ordinary course of its ongoing evaluation of its sub-advisers. Importantly, the recommendation to hire Boston Partners to manage a portion of the Fund's assets was based on an evaluation of the qualifications of Boston Partners' investment personnel, investment philosophy and process and long-term performance results, among other factors, including the Adviser's analysis that Boston Partners' investment strategy is complementary to the investment strategy of Fund's other sub-advisers.

Conclusions: The Trustees considered all of the foregoing factors. In considering the Sub-Advisory Agreement, the Trustees did not identify any one factor as all-important, but rather considered all of these factors collectively in light of the Fund's surrounding circumstances. Based on this review, the Trustees, including a majority of the Independent Trustees, concluded the approval of the Sub-Advisory Agreement, including the sub-advisory fees, would be in the best interests of the Fund and its shareholders.

INFORMATION REGARDING THE SUB-ADVISORY AGREEMENT

The sub-advisory fees each sub-adviser receives for its services to the Fund are paid from the Adviser's management fees. For the fiscal year ended August 31, 2015, for its services under its investment advisory agreement with the Trust, the Adviser received a management fee of 0.90% (net of fee waivers) of the average net assets of the Fund, computed daily and payable monthly. The Adviser has contractually committed to waive its management fees and/or reimburse expenses of the Fund to ensure that Total Annual Fund Operating Expenses (exclusive of front-end or contingent deferred loads, taxes, leverage, interest, brokerage commissions, expenses incurred in connection with any merger or reorganization, dividends or interest expenses on short positions, acquired fund fees and expenses or extraordinary expenses such as litigation) do not exceed 1.40% of the Fund's average net assets through at least December 29, 2016. In addition, the Adviser may voluntarily agree to waive a portion of the management fees payable to it above and beyond any amount waived under such agreement.

For the fiscal year ended August 31, 2015, the Fund accrued management fees of \$2,762,409. The Adviser waived \$144,520 in management fees. The management fee after waiver was \$2,617,889. The fees paid to sub-advisers are individually negotiated between the Adviser and each sub-adviser and may vary. The aggregate sub-advisory fees paid by the Adviser for the fiscal year ended August 31, 2015 were \$ 1,261,326 or 0.43% of net assets.

The Sub-Advisory Agreement was approved by the Board of Trustees at the August 2015 Meeting for an initial term of two years beginning on August 31, 2015. Thereafter, continuance of the Sub-Advisory Agreement will require annual approval by the Board of Trustees or the vote of a majority of the outstanding voting securities of the Fund, and the vote of a majority of the Trustees who are not parties to the Sub-Advisory Agreement and are Independent Trustees. The Sub-Advisory Agreement is terminable without penalty (i) by the Trust, on behalf of the Fund, by the Board of Trustees, by the Adviser or by the vote of a majority of the outstanding voting securities of the Fund, upon 60 days' written notice to Boston Partners, and (ii) by Boston Partners upon 60 days' written notice to the Fund and the Adviser. The Sub-Advisory Agreement provides that it will terminate automatically in the event of its "assignment" within the meaning of the 1940 Act, except as otherwise provided by applicable law or the exemptive order.

Other than the effective and renewal dates, and the rate of compensation paid by the Adviser to particular sub-advisers, the terms of the Sub-Advisory Agreement are substantially similar to the sub-advisory agreements between the Adviser and the other sub-advisers of the Fund. The Sub-Advisory Agreement provides that Boston Partners, among other duties, will make all investment decisions for the portion of the Fund's assets allocated to Boston Partners as described in the Fund's prospectus. Boston Partners, subject to the supervision of the Board of Trustees and the Adviser, will conduct an ongoing program of investment, evaluation, and, if appropriate, sale and reinvestment of the portion of the Fund's assets allocated to Boston Partners. Boston Partners also will perform certain other administrative and compliance-related functions in connection with the management of its allocated portion of the Fund's assets.

The Sub-Advisory Agreement provides that the Adviser will compensate Boston Partners on the basis of current net assets of that portion of the Fund's portfolio allocated to Boston Partners. The Adviser compensates Boston Partners from the management fees that it receives from the Fund. Boston Partners generally will pay all expenses it incurs in connection with its activities under the Sub-Advisory Agreement, other than the costs of the Fund's portfolio securities and other investments.
